A weekly report presenting additional hours booked by NHS trusts in England due to COVID-19, nationally and by region.

- Most regions saw a decline in overall bookings last week except for the Midlands and North East & Yorkshire. Accident & Emergency was the most booked speciality last week, just ahead of General Medicine.
- COVID-19 hours booked increased over 40% on prior week, making up 20% of all hours booked and leading to the highest number since the beginning of June with over 23k hours booked.
- Bookings for Chemical Pathology increased significantly from 79 hours last week to over 10k hours this week, making up 40% of all the COVID-19 bookings.
- The North West continues to have high a percentage of bookings made for COVID-19.
